Upcoming Webinar: Supporting Apprentice Success

Join us for the June Network webinar, **Supporting Apprentice Success**, on Tuesday, June 20 from 2 to 3 p.m. ET. We will discuss potential barriers apprentices may experience throughout their journey from application to completion. We will also explore promising practices for helping apprentices succeed, and the services and partners needed to build an effective apprentice support system. Participants will have time for questions and networking about strategies that can help apprentices successfully complete their apprenticeship programs.

Resources: Mentorship Training Modules

Quality mentorship is critical for apprentices to succeed. [Apprenticeship Carolina](#) has created online mentor training modules that are easily accessible and that can be completed all at once or over time. These trainings are specific to mentorship in Registered Apprenticeship and include three courses: [General Mentor Training](#), which focuses on the development of effective mentorship relationships; [Mentoring in the Healthcare Field](#), which covers topics specific to the field including healthcare privacy rules and confidentiality standards; and [Mentoring in the Manufacturing Field](#), which provides tips for mentorship in a field with rapidly changing technology.

Apprenticeship Professional Spotlight: Lark Jackson, Chicago Women in Trades

This month, we have invited Lark Jackson from the [Chicago Women in Trades' National Center for Women's Equity in Apprenticeship and Employment](#) (CWIT) to join us for the Network's **Supporting Apprentice Success** webinar. CWIT has been providing support and advocacy for women in the construction trades for over 40 years through pre-apprenticeship training, policy advocacy, case management, and much more. Lark will discuss their approach to providing support for women and diverse apprentices and best practices for working with sponsors, partners, and apprentices to create a more inclusive and supportive Registered Apprenticeship training environment.
